

Summary of ECD Global Alliance Internet Chat **February 10, 2018**

3 Attendees

- A very quiet Chat. Just about perfect for me to get started on summarizing after my LONG absence!! Hardly anyone came on and none at the same time so they couldn't "Chat." One member who came on was "hosting a baby shower," so she was busily "otherwise engaged."
- I should be summarizing again now so more can come next week.
